OPERATIONS

Could You Prove It Wasn't LPG? (cont'd)	May 34
DOT Readies Enforcement Program on Cylinder Safety	July 12
Engineered for Safety	July 19
GAMA Lists Appliance Training Materials	Sept. 46
HMRB Considers Ban on Building 112A, 114A Cars	June 41
How Manufacturers Assure the Safety of Cylinders	Nov. 24
NFPA Gives Official Verdict on Sprays	July 32
NLPGA Issues Advice on Winterizing	Oct. 44
OSHA Lists 25 Most-Cited Violations Found in 1974	July 13
When Selecting a Pump for a Standby Plant	
Size it to Maximum Plant Capacity	Sept. 32
Why Ohio Dealers Have Needed Higher Markups	Aug. 26

MANAGEMENT

GENERAL INTEREST

Accountability and the FEA	Sept. 28
After an Explosion—What Happens	Aug. 36
Alternate Cutting Fuels: Are They for You?	Sept. 21
Business as Usual	May 28
Congress: Our "Unreal" Energy Problem	June 34
Court Clears Empire in Antitrust Action	July 32
FEA Exceptions: It's Possible	Feb. 31
FEA Policy on Rental of Tanks Being Contested	June 39
Five Industry Leaders Discuss the Future	Jan. 25
Fixed Water Spray is Wrong Answer for BLEVE-Type Accidents	Jan. 36
Forms...Forms...Forms	Aug. 33
Gas Company Reduces Its Own Usage by 32.9%	Aug. 18
The High Cost of Doing Business	July 27
Higher Prices Would Help New England	Dec. 16
How One Marketer is Building for The Future	April 25
How to Devalue Your Own Company	Aug. 21
In the High Desert, One Marketer is Bracing for Another Invasion	May 29
Is Curtailment a Breach of Contract?	May 50
Is it Up to You to Sell Conservation?	Nov. 18
Is Your Service Center a Profit Center?	July 22
It All Began With a Complex Accounts Receivable Setup	Feb. 44
Lots of Accomplishments in One Short Year	June 18
A Mailing Piece Sampler	Nov. 34

Marketers' Harder Line on Credit Holds Receivables Within Reason	April 29
Markup Increase Debated in FEA Washington Hearings	June 39
Minnesota's Polishing Its Image	Oct. 30
More Paperwork Ahead if Price Report Bill Passes	March 42
New Method Developed For LPG Density Measurement	Jan. 42
The 1975 NLPGA Convention Review	June 28
Northern Attributes Record Earnings To Liquid Fuels	April 51
Paying Fuel Bills For The Poor and Elderly	Oct. 21
Petrolane's Challenge to FEA's Remedial Order	June 25
Poor Appliance or Poor Judgement?	Dec. 16
Propane Prices Have Gained Steadily	Aug. 14
Refiners' Verdict on FEA Order: It's Counterproductive	Feb. 25
Sea-3 Has Its Eye on The Future	Dec. 19
